

OUTDOOR OVEN RANGE

A range of wood fired
ovens for al fresco dining

The IMS Outdoor Oven Range

Brought to you by IMS using decades of experience in manufacturing high temperature solutions and using only the highest quality materials, the IMS Outdoor Oven will make you the envy of friends and family alike.

Regardless of the weather, your IMS Outdoor Oven lets you entertain and impress guests as you cook up a storm all year round.

With a range of accessories on offer and a choice of three sizes there is an IMS Outdoor Oven for every outdoor space - from domestic through to commercial use. Simply choose your size, choose your colour and contact us to place your order or find your local stockist.

Why choose the IMS Outdoor Oven?

- This attractive oven is available in 3 sizes to suit a broad range of outdoor spaces and catering requirements
- Customised to suit your taste, the IMS Outdoor Oven is available in a choice of 6 standard colours to coordinate with your exterior landscape
- Use of the highest quality materials, including aerogel insulation, ensures consistent high temperatures with exceptional fuel efficiency
- The careful design consideration and choice of high quality materials allows for simple installation of the modular oven at home

Choosing the model for you

IMS Outdoor Ovens are available in three different models giving you a choice of sizes to suit the needs of any outdoor space.

01

Piccolo

The smallest in the range, the Piccolo weighs just 80kg. It is ideal for domestic entertaining and will create an enviable outdoor dining destination for friends and family. Perfect for gardens of all sizes.

02

Medio

Don't be fooled by its size, our Medio oven lets you really make a statement and is just as quick and easy to install. Perfect for slightly larger outdoor spaces, the Medio weighs 165kg.

03

Supremo

The largest of the IMS Outdoor Oven models, the Supremo truly is a statement maker. Supplied as a 290kg set, professional installation is advised although detailed guidelines are available.

IMS Outdoor Oven measurements

Model	External		Internal		Aperture	
	Diameter	Overall Depth	Diameter	Height	Width	Height
Piccolo	660mm	730mm	500mm	250mm	300mm	150mm
Medio	960mm	1080mm	800mm	350mm	373mm	200mm
Supremo	1180mm	1340mm	1000mm	425mm	450mm	250mm

Please note: Due to production methods and the DIY options, the completed outdoor oven may vary slightly in size.

Colour coordination

All IMS Outdoor Ovens are available in a range of 6 standard colours, with additional colour options on request if a more bespoke finish is required.
